Measuring Success

What will success look like for this Priority, and how will the District know if success has been achieved?

Provide quantitative data and/or qualitative descriptions of where the district strives to be at the end of the 2022-23 school year.

x The district will utilize the iReady Assessment to gauge success. At the end of 2022 54% of students were at grade level on their ELAI-Ready diagnostic. This was a 4% increase from the 21/22 school year results. Our goal for 2023 would be 58% of our students are at or above grade level.

Staff surveys will be sent out to staff members in June 2023. Results from the surveys will determine if the staff satisfaction rate in the area of actionable and timely feedback increases. Results from the June 2022 survey noted that 11% of staff did not feel they received actionable and timely feedback. Our goal is that less than 10% of teachers do not feel satisfied in June 2023.
